NOTICE

Sub: Regarding Postal Address & email-id

**For arrange of EXAMINATION HALL for both the Theory & Practical Examination of
General Nursing-Midwifery (3- Yrs.) Programme**

The authority of all recognized Nursing Institutions (Both Government/Non-Government) under West Bengal Nursing Council conducting GENERAL NURSING-MIDWIFERY (3-YEARS) COURSE is hereby informed that the acute problem to arrange Examination Hall to conduct the Theory & Practical Examination as number of students day by day is increasing.

West Bengal Nursing Council are hereby being instructed to maintain uniformity in relation to the information to **Indian Nursing Council and West Bengal Nursing Council regarding name and postal address with Email-id (School of Nursing/College of Nursing)** of the concerned institutions and as in recent times, all the official jobs are being systemized or computerized, it will be easier for this office to execute the responsibilities if such uniformity is maintained.

Furthermore, it is more difficult to arrange Clinical Field for conducting the Practical part for Non-Government Institution as they fulfill most of the clinical experiences in Government Hospital and Clinical Field of their Parent Hospital is not suitable for conducting the Council Practical Examination. Please provide us a list of Hospitals, Primary Health centers, District/Government / Private Hospitals your institution is affiliated to, for the purpose of clinical experience for your GNM students.

Finally, the Council decided that every Govt. / Non-Government Institution will take responsibility to arrange their Clinical Field for Practical Examination and **submit this to the Council EVERY YEAR BEFORE EXAMINATION** and the Council has to check/verify its suitability.

Besides the above, the undersigned is directing all the institutions to please forward the information to WBNC email - wbnc_22302059@ymail.com and wbnursingcouncil@gmail.com (both) duly signed by the Nursing School Authority regarding the **postal address with Email-id** that is **currently preserved by WBNC as well as by the institution immediately** so that this office may communicate to them in a proper manner.
