Final Examination:

Simplified modes and methods of examination may be adopted in order to complete current academic session.

- I. Theory examination of final year will be conducted in the home centre by maintaining social distancing norms, with less members of students, without compromising quality, sanitizing the exam hall before and after examination. Student will not be permitted to the exam hall without mask.
- II. Practical examinations of final year will be conducted in the home centre to avoid crowd and movement of students and faculties. It may be conducted in the clinical setting (if feasible) or in the simulation set up using OSCE approach e.g. in Skill labs maintaining proper social distancing and hygiene norms.
